# THAYNA MACDOLW

## FRONT-END DEVELOPER

Junior front-end developer with a solid experience in international relations and coordination, as well as a proven track record of problem-solving and effective communication. My ability to understand databases and web design has been instrumental in generating successful results. Passionate about creating intuitive and efficient user interfaces, I actively seek opportunities to deliver innovative solutions in dynamic environments.

## EXPERIENCE

### CUSTOMER SERVICE ATTENDANT - OAKBERRY - DÜSSELDORF, GERMANY - 2023 / PRESENT

- Provided customer service and managed cash to efficiently process payment transactions.
- Prepared careful products, ensuring quality and proper presentation.
- Furnished customers with comprehensive product information.
- Advised customers to make informed choices.

### JUNIOR TRAFFIC ANALYST - ILS CARGO LTDA - RIO DE JANEIRO, BRAZIL - 2018 / 2019

- Managed international imports for efficient operations and compliance.
- Solved unplanned problems with innovative solutions to maintain operations.
- Optimized supply chain operations using data-driven insights.
- Built partnerships with suppliers and provided real-time order updates for transparency and customer satisfaction.

### AU PAIR - FONTES FAMILY - MIAMI, FL, USA - 2020 / 2022

- Responsible for the daily care of two children.
- Planned and executed educational and recreational activities
- Managed daily routines, including meal times, baths, and extracurricular activities.
- Effectively communicated with parents to ensure the well-being and development of the children.

### BILINGUAL SECRETARY (FREELANCE) - VARIOUS LOCATIONS 2015 / 2017

- Provided real-time event translation for non-native speakers.
- Streamlined event management with digital tools.
- Managed event schedules, logistics, and coordination.
- Facilitated lectures and tours for smooth execution and satisfaction.
